**SUBJECT: Intermittent Delays at Ft Loudoun Lock, Tennessee River Mile 602.3**

Contractors for the Tennessee Valley Authority will begin bridge deck overlay activities on the US Highway 321 Bridge over Fort Loudoun on 26 May 2009. The activities are expected to run through mid August.

During this period, navigation traffic could experience some intermittent delays when the contractor is working over or around the lock.

There is no auxiliary chamber available.

More information on this subject can be obtained by telephoning the Ft Loudoun Lockmaster at 865-986-2762.
